**P is for pride**  
Pride is when we honor all aspects of ourselves as being worthy of respect and care.  
Orgullo cuando honoramos todos los aspectos de uno mismo como siendo digno de respeto y cuidado.

Olivia Lopez started an organization to help people of color have a positive relationship with food and their bodies. She's struggled with eating and eating disorders and carried that medical trauma often didn't address the ways that can be part of people's battles with eating disorders. She is working to make sure society better understands the importance of all sizes, shapes, and colors so that people can take pride in the way they look.  
Facebook: @holopezpride  
Olivia Lopez started una organización para ayudar a personas de color tener una relación positiva con sus cuerpos y comida. Ella luchó con problemas con la dieta y trastornos de alimentación y vivió que instituciones médicas no abordó el tema de la manera en la que de personas de diferentes colores. Ella trabaja para asegurar que la sociedad entienda mejor y valore cuerpos de todas las formas, formas, y colores y que las personas sean orgullosos de como se ven.

**Activist Group**  
Let's go on a campaign that both sides of the community to both...  
An activist under the age of 18...  
An activist who acts the same to fight equality...  
An activist who fights for the equal treatment of all...

**P is for orga...**
