

Environmental Justice: Rooting for Change

Fast Fashion

Objectives

SWBAT identify how fast fashion can hurt the environment

SWBAT imagine a BIG idea for turning clothing waste into something new

Background information

Fast Fashion is the cause of a lot of social injustices. It hurts our environment as the production of so much clothing uses billions of tons of water. Harmful chemicals from the dyeing process also end up in our water, polluting it. Most of this is happening in countries that experience more poverty.

Materials

Large watercolor paper, watercolor, Sharpie

Procedures

- 1.) Discuss fast fashion and how we can be more mindful of how we buy clothes
- 2.) Dream up a BIG idea of how we can take all of the clothing waste and turn it into something new
- 3.) Draw your idea
- 4.) Outline with Sharpie
- 5.) Paint!
- 6.) Describe your big idea in writing
